

**The Aesthetics Innovation Summit is Back for 2022
Announcing Co-Chairs, Dr. Grant Stevens, Brent Saunders and Alisa Lask**

February 16, 2022, San Diego, CA – On April 20, 2022, the [Aesthetics Innovation Summit](#), which brings best in class industry innovators and luminaries together to drive the global aesthetics industry forward, is returning in-person for its third year. Continuing its leadership as the first event to showcase novel treatments, devices, and technologies among a multi-faceted group of industry stakeholders, AIS is proud to announce this year’s distinguished co-chairs as Dr. Grant Stevens, Brent Saunders and Alisa Lask.

Dr. Grant Stevens, Past President of the Aesthetic Society, Clinical Professor of Plastic Surgery USC Chair, CEO Marina Plastic Surgery and MedSPA, CMIO Engage Technologies and recipient of the Aesthetic Industry Association Leadership Award

Dr. Grant Stevens has been recognized in Castle Connolly’s Top Doctor Guide as one of the best plastic surgeons in America and is among a select group of doctors featured in Plastic Surgery: The World’s Top Surgeons & Clinics. He is a board certified Diplomate of the American Board of Plastic Surgery, a Fellow of the American College of Surgeons and the International College of Surgeons. In 2017 he was elected president-elect of the American Society of Aesthetic Plastic Surgery, one of the highest honors in the field of aesthetic surgery.

Brent Saunders, Executive Chairman & CEO at The Beauty Health Company

Brent Saunders has served as Executive Chairman of The Beauty Health Company since its inception in May 2021. He has over 25 years of experience in various aspects of healthcare and has been in leadership roles at several prominent global pharmaceutical and healthcare companies. He is Former Chairman and Chief Executive Officer of Allergan, having previously served as Chief Executive Officer and Director of Forest Laboratories, Inc., prior to its acquisition by Allergan.

Alisa Lask, Board Member, Healthcare Executive and Former VP & General Manager US Aesthetics at Galderma

Alisa brings more than twenty years of commercial experience in sales and marketing across pharmaceutical, medical device, and cosmeceutical sectors. Her deep experience in therapeutic areas such as orthopedics, woman’s health, diabetes, and most recently dermatology and aesthetic medicine. Most recently, Alisa served for over 7 years as the Vice President and General Manager for US Aesthetics at Galderma, the world’s largest independent

global dermatology company (private equity owned). She currently serves on the Board of Directors at Nephros, Inc (Nasdaq: Neph) a commercial-stage company selling high-performance water purification products to medical device and commercial markets, as well as a Director on the board of CollPlant, (Nasdaq: CLGN) a regenerative medicine company.

“I’m thrilled to be able to hold AIS live after a two-year hiatus and to be joined by my new summit co-chairs, Brent and Alisa,” says Dr. Grant Stephens. “The aesthetics industry has accelerated significantly throughout the pandemic, and we’re excited to discuss these advancements with our colleagues across multiple facets of the industry and to showcase novel treatments and technologies being developed that will continue to drive the industry to new heights.”

This year’s summit will take place in San Diego, and once again will be in conjunction with the annual [Aesthetic Society Meeting](#). The 2022 agenda will include presentations and panels with world-renowned speakers and industry leaders highlighting the latest in cutting-edge innovation, trending conversations and business building insights and growth opportunities that are impacting aesthetics businesses today and driving the future. Agenda topics include: the evolving aesthetic patient journey, spotlight on regenerative medicine and cell therapy, emerging trends, challenges & opportunities for the aesthetics device market, and aesthetics investing and funding trends. We’ll also be recognizing exemplary industry leaders with the Aesthetic Innovator Awards, for which votes will be cast within trending industry categories.
